

SHORT-TERM MISSION AGREEMENT

With A Partnering Church

In the event of another church sending an adult or student on a Thompson Station Church sponsored mission trip, it is important for TSC to not only partner with that individual, but also with the sending church. Because TSC believes that churches sending other individuals on a TSC trip should also be responsible for aiding the mission work of that individual, TSC desires to partner with such churches in a financial and spiritual agreement.

For churches seeking to send a member of their church on a TSC trip, please fill out the information below:

Name of Individual(s): _____
First Last

First Last

Name of Church: _____

Name of Trip: _____

Trip Dates: _____

Amount needed per individual to go: \$ _____

We believe in _____, _____ and their desire to go with Thompson Station Church to serve on mission. As a church, we desire to partner with them in this effort in the following ways:

- We are excited to send him/her out as a representative of our church. We affirm that they are physically and spiritually ready to represent Christ, and that their life is above reproach.
- We believe that he/she is willing to submit to the request of the trip team leader, and will fulfill all required paperwork and assignments given in order to be as prepared as possible to this project.
- We promise to pray for him/her and the mission they desire to be a part of, and will do so before, during, and after the trip as a church body.
- If possible, we will do what we can to help them financially to go, believing that it is a blessing for God to call someone out of our church to do His will abroad.
- In the event he/she cannot go, we will partner with the individual to make sure that Thompson Station Church is refunded any money for airfare, hotels, etc. that cannot be recaptured in the event of cancellation. The max on this clause is the amount needed per individual to go as stated above.
