

Team Leader Approval Process

The Global Disciple-Making Team has implemented an approval process to help Team Leaders know the importance of their role, understand their responsibilities, and be better prepared to do the task placed before them. There are three requirements for the Team Leader Approval Process:

- **Complete Team Leader Training**
Attend one of the training sessions offered by the GO Team.
- **Submit Short-Term Team Leader Application**
An application is considered complete when all required information is provided and all the agreement statements are signed.
- **Interview with Missions Pastor**
Interviews will be scheduled upon completion and submission of the Team Leader Application. Interviews will provide an opportunity for additional questions and specific information to be conveyed.

Once the Team Leader is approved, the GO Team will work with the Team Leader to determine the specific trip they will lead.
