We are starting a brand new series called Uprising! We are going to be traveling through the book of Acts and we would love for you all to be reading through with us as we dive in. This week we will be going through Acts chapter one and at this time there were only a few followers of Jesus. A small movement that met in homes and was started by the son of the carpenter, is more talked about and still moving today. No one acknowledged or gave any thought to those who first started with Christianity. However, an uprising began and started after Jesus died. An uprising within the most powerful empire. An uprising in the world. An uprising to live a different life. An uprising to serve a true savior and king. An uprising that we are a part of and still called to.

We encourage you all as a family to read through Acts chapter one this week and as you sit around together discuss what it looks like for your family to live out Jesus's command to be a witness in Jerusalem, Judea, Samaria, and ends of earth. Talk through what it looks like to be moved by the Spirit and empowered to expand the kingdom of God.

Pray as a family for an uprising in yourselves and in your family, schools and work. Pray that the Holy Spirit would move in a mighty way! Talk through what the Lord is stirring in you and your family to do to expand His kingdom.
