## Mission Project Financial Policy

Effective Fall 2007 (Updated 2017)

#### Mission Project Categories

**TIER 1- Church Partnership** - These are prayerfully selected by the GO Team & Missions Pastor. A partnership is typically defined as a multiple project and/or multiple year venture in which our church assists a mission's organization, church, or people group in making disciples in their culture or community.

**TIER 2- Potential Partnership** - Trips with this designation are places/projects that could potentially become full-fledged church partnerships, but because of their newness, it is the desire of the GO Team and Missions Pastor to investigate them for approx. 2-3 years before they are considered a long-standing partnership of TSC. Projects with this distinction typically have 1-2 years to be evaluated, and then either become Tier 1 or Tier 3 projects.

**TIER 3- Individual Project -** This type of project consists of a church member who senses that God is calling him or her to participate in a project not sponsored by our church or a Connect group but some other evangelical Great Commission group. If an individual desires church endorsement or seeks financial assistance from any church member or church resources, he or she should submit a request to the GO Team for evaluation and is subject to the financial policies described below. This category includes those desiring to serve on staff with para-church organizations.

Each of the above project categories is valuable and will be used by God to expand His kingdom. However, from a financial priority and team concept perspective, church resources will typically be invested in the following order: 1) Tier 1- Church Partnership, 2) Tier 2- Potential Partnership, 3) or Tier 3- Individual Project. Each project, however, will also be evaluated as to potential kingdom impact, project cost and financial need. The GO Team, Missions Pastor and appropriate staff members/team leaders will work together to determine the distribution of church resources available for mission projects.

### **Guiding Principle**

A mission project is an exciting journey of faith and personal sacrifice. If a believer is obedient to God's calling, God will provide the financial resources in His timing. Therefore, with total dependence upon God, a mission team volunteer is responsible for his or her own project expenses, subject to the policies below.

#### **Financial Policies**

- 1. Each mission project volunteer shall provide or raise all of his or her own financial support. An estimated total cost, expected payment deadlines and funding ideas will be given to each volunteer by the team leader. Each participant will be responsible for actual costs incurred or obligated as to his or her participation in the project.
- 2. Church members are encouraged to give primarily to the church budget, a portion of which will be invested in the volunteer mission's fund. While it is natural and appropriate for a volunteer to personally tell close friends, individual Connect groups, and family members about his or her financial needs for a mission trip, the GO Team requests that all volunteers refrain from making individual requests for financial support to the church body at-large. However, a volunteer is more than welcome to make requests from those they know.

- **3.** The team leader or Missions Pastor will provide a letter for volunteers of approved projects to mail at their own expense to family members, friends and others <u>outside the church family</u> for the purpose of obtaining financial support.
- **4.** As to the distribution of church funds that may be available to supplement expenses for a project, the GO Team will evaluate each project that submits a request for project financial support (refer also to Mission Project Categories, paragraph 4 above).
- 5. Once a volunteer has attempted all options at his or her disposal for raising financial support, a volunteer may approach the mission team leader for mission project volunteer assistance. The team leader has the ability to utilize team funds, or can make the GO Team aware of the need by filling out a financial assistance form. The GO Team will confidentially evaluate each request and advise the team leader if assistance is available or not available. The team leader will then contact the volunteer and inform of the decision. Please refer as well to the Guiding Principle above that the GO Team will use to make decisions in these circumstances.
- **6.** For a donation to a mission project to be tax deductible, Thompson Station Church must be in full administrative and accounting control over the donation and disbursement.
- 7. It is Thompson Station Church's policy that the Missions Pastor and Sr. Pastor approve any special offerings. Also, the Missions Pastor must approve all fundraising activities, including those for mission projects. A mission team must inform the Mission's Pastor of all fundraising activities before scheduling them.
- **8.** In the event that funds received exceed the cost of the trip for a mission project, the use of any excess funds shall be determined by the GO Team, Missions Pastor, & Team Leader. All extra monies received for missions will go strictly to a mission's project.
- 9. It is understood that money received from a third party may be given to help pay costs related to this trip. If for any reason someone must cancel their trip the money given by a third party would not be reimbursed. If for any reason a team member must cancel for a medical reasons or family emergency they will be reimbursed any money they had personally given for the trip, with the exception of money already expensed that is not recoverable, i.e. airline tickets, etc.

This policy is intended to facilitate the mobilization of mission volunteers into God's harvest field. It is not intended to be comprehensive nor limit God's activity but to provide a coordinated, efficient structure for our church mission's strategy for the glory of God and the spread of the gospel.

I have read and agree to these policies.

### Mission Project Policies

Thompson Station Church

#### Policies for Short-Term Member Selection

#### Criteria for team member selection

All team members must have a testimony of salvation through Jesus Christ <u>and be able to verbally express this</u> testimony before the team leaves

Team member's age depends on the nature of the trip. (ie family trip vs. trip overseas)

Team members must demonstrate willingness to complete the Thompsons Station Church short-term training as prescribed by the team leader(s) including all other requirements and meetings required by the team leader.

#### Application for the team

Team members must complete the Thompsons Station Church short-term mission team application and submit it to the team leader by the prescribed dates for review and approval by the GO Team, Missions Pastor, and team leader. For returning volunteers to the short-term mission field, a shorter renewal form can be used each year.

The GO Team or team leader may require interviews with potential team members in addition to the application. Short-term members must agree to and comply with the Thompson Station Church Mission Project Financial Policy.

#### Policies for Team Behavior and Attitude

Team members participating on Thompsons Station Church sponsored short-term trips are reminded that they are ambassadors of Jesus Christ (II Corinthians 5:20). As teams go overseas or to other countries they not only represent Him, but TSC, the United States, and the supporting mission agency. This is a tremendous responsibility. For this reason, the GO Team requests that each team member seek to be above reproach in his/her actions and attitudes.

#### Team members must submit to the team leader's authority.

Due to the political instability and anti-American sentiment in various countries around the world, TSC asks that team members refrain from expressing political opinions while overseas. Other verbal restrictions may apply depending upon the area visited.

Abstain from the consumption of alcoholic beverages or any use of tobacco or illegal drugs while on the trip.

The team member must adhere to the behavioral guidelines for each specific team set by the team leadership or missionary agency with a mind toward the culture to which the team is going. This will require a servant attitude toward all nationals and team members, as well as the willingness to learn from the host culture. (I Cor. 9:19-23a).

After consultation with the GO Team or Missions Pastor, the Team Leader reserves the right to ask a problem team member to return home if that team member's behavior is destructive to the team, the ministry, or the lost community. Any additional cost incurred as a result of this action will be at the team member's expense. In addition, a team member who is disciplined in any way on a mission trip could be subject to a ban from future TSC mission trips for a period of time as defined by the GO Team, Sr. Pastor, or Missions Pastor depending on the extent of the situation.

I have read the above polici	es and agree to abide by them.

### Sexual Abuse Prevention Policy

At Thompson Station Church it is our desire to provide an environment of care and safety for minors and vulnerable adults while in the care of our volunteers and employees. We will make every effort to safeguard these individuals as well as the ministries of Thompson Station Church.

We have drafted this sexual abuse prevention policy, coupled with our current screening process and procedures, to provide awareness and direction for appropriate conduct to employees and volunteers in all ministries. Volunteers and employees must agree to the following:

- Volunteers and employees engaged in any activity involving a minor (any person under the
  age of 18) or vulnerable adult must agree to be screened. The screening process includes a
  criminal background check, as requested by Thompson Station Church and an interview with
  a TSC staff member.
- 2. To abide by Thompson Station Church ministries handbook, policies, and covenant given to them at the time of acceptance of the position.
- 3. To ensure that at least two screened adults are present at every function and in each classroom, vehicle, or other enclosed area during all activities involving minors or vulnerable adults.
- 4. To meet or counsel with an adult person of the opposite sex only when there is another screened adult present.
- 5. To meet with a minor or vulnerable adult, male or female, in an open, public, or otherwise accountable setting and only when there are a minimum of two adults present, one of which must have gone through the screening process.
- To immediately report suspected or inappropriate sexual behavior to their supervisor or pastoral staff person who will ensure appropriate steps are taken and legal authorities are contacted.
